Introduction

Heartwood Learning Trust is an inclusive and collaborative Church of England multi-academy trust serving church, community and alternative provision schools. This policy is guided by our Christian ethos and the visions of our Trust and its schools/academies. We share a clear vision – to create schools where children and young people thrive, as we help them prepare to live life in all its fullness (John 10:10).

For us, a place to thrive means much more than a place simply to be comfortable. Instead, our aim is to develop schools and an educational offer which enable each pupil to flourish academically, practically, emotionally, socially and spiritually.

Statement of Intent

The Heartwood Learning Trust believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life. The Trust is committed to:

- Promoting positive behaviour through recognition and reward.
- Promoting self-esteem, self-discipline, proper regard for authority and positive relationships based on mutual respect.
- Ensuring equality and fair treatment for all.
- Promote early intervention.
- Praising and rewarding positive behaviour.
- Challenging unacceptable behaviours.
- Providing a safe environment free from disruption, violence, discrimination, bullying and any form of harassment.
- Developing positive relationships with parents/carers.
- Developing positive relationships with pupils.
- Promoting a culture of praise and encouragement in which all pupils can thrive.

The Trust acknowledges that behaviour can sometimes be a result of educational needs, mental health concerns, or other needs and vulnerabilities and will address these needs via an individualised graduated response.

To help reduce the likelihood of behavioural issues related to social, emotional or mental health (SEMH), the Trust aims to create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient. The Trust aims to promote resilience as part of a whole-school approach using the following methods:

- **Culture, ethos and environment** - the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** - the curriculum is used to develop pupils' knowledge about health and wellbeing
- **Community engagement** - the schools/academies in the Trust proactively engage with parents/carers, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing.

Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The Trust's Student Mental Health and Wellbeing Policy and Special Educational Needs and Disability (SEND) Policy outline the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

Our Trust Vision

To provide environments where children and young people can thrive.

Life in all its fullness - a place to thrive

Our ambition as a fully inclusive Trust of Church of England schools/academies, including an ecumenical Anglican/Methodist school and community schools/academies, is for all our learners to flourish and to thrive in all aspects of their academic and personal development on their personal spiritual journey; to experience “life in all its fullness”, through our Trust values of Respect, Teamwork and Kindness.

Our Trust vision is closely aligned to the Church of England Vision for Education, of ‘life in all its fullness’ at its heart, for the common good of the whole community. We wish as a Trust to;

- Educate for wisdom, knowledge and skills: enabling our learners to build confidence and delight in seeking wisdom and knowledge and developing talents in all areas of life.
- Educate for hope and aspiration: to enable renewal, to support our learners to cope wisely when things go wrong, opening horizons and guiding learners to achieve their academic and personal goals.
- Educate for community and living well together: a core focus on positive respectful relationships in our schools, working in partnership in our communities and flourishing together.
- Educate for dignity and respect: for all our learners to respect the value and preciousness of each person, treating each person as a unique individual of inherent worth.

Our Trust vision is also aligned to the York Diocesan Board of Education (YDBE) vision of seeking to build flourishing communities in schools/academies, parishes and homes. We are part of the wider family of Diocesan schools/academies, churches and communities in the Diocese of York and enjoy working collaboratively together to further enhance the academic and personal development of young people.

Our Trust Values

Respect, Teamwork, Kindness

A respectful and inclusive community, with a culture of thankfulness and appreciation, where we celebrate equality and diversity.

High quality teaching across all of our schools, in every learning session, without exception.

A broad and balanced educational offer which develops all pupils academically, practically, emotionally, socially and spiritually, leading to great outcomes.

Resilient, sustainable and ethical leadership at all levels of the organisation.

4. Behaviour Management*

All staff have the authority and responsibility to consistently apply the Trust's Behaviour Policy and the local procedures. This includes rewarding pupils, or where necessary putting sanctions in place for those who fail to adhere to the school/academy rules, this can be both inside and outside of the school/academy.

4.1. Promoting good behaviour

The Trust promotes positive behaviours through recognising, praising and rewarding positive behaviours. Each school/academy should ensure that:

- They build and maintain positive relationships with pupils, built on respect.
- Pupils' achievements are recognised within, but also beyond the classroom environment.
- Positive learning environments are provided, where children feel safe and confident and are able to flourish.

4.2. Rewards

As a Trust we promote positive behaviour by recognising and promoting good behaviours, attitudes and achievements that meet our values and expectations.

The Principal at each school/academy is responsible for setting the arrangements for recognising positive behaviours, attitudes and achievements, based on the principles outlined in this policy. This is done through considering the age, maturity and understanding of the pupils at the school/academy. These systems are shared with pupils, staff and parents/carers to ensure a consistent and collaborative approach.

4.3. **Sanctions**

Staff within the school/academy will apply the appropriate sanctions to incidences of unacceptable behaviour as is set out in the school/academy's behaviour management procedures. This will also be in line with the Trust guidance to schools/academies.

Sanctions will be proportionate to the behaviours displayed, in accordance with the school/academy systems and procedures, and taking into account the pupil's age, SEND needs or any religious requirements.

4.4. **Detentions**

Detentions are seen as a part of a range of sanctions intending to encourage positive behaviour in pupils. Detentions may be individual, departmental, pastoral or whole school. The appropriate level of detention will be issued in accordance with the school/academy's behaviour procedures.

- Teachers have a legal power to put pupils (under the age of 18) in detention, but will act reasonably and ensure the pupils' safety is not compromised.
- If a lunchtime detention is used, staff will allow reasonable time for the pupil to eat, drink and use the toilet.
- Consent from parents/carers is not required for detentions, but the school/academy will endeavour to inform parents/carers of the detention.
- There is no requirement for notice to be given to parents/carers.

**Please refer to Appendix A for further information.*

5. **Classroom Management***

5.1. Staff will:

- Create and maintain a stimulating environment that encourages pupils to be engaged.
- Display the pupil code of conduct within the classroom.
- Develop a positive relationship with pupils, which may include:
 - Greeting pupils in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour
 - Highlighting and promoting positive behaviour
 - Concluding the day positively and starting the next day afresh
 - Each lesson is a fresh start
 - Using positive reinforcement.

**Please refer to Appendix A for further information.*

6. Pupil Support

- 6.1. The Trust recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.
- 6.2. The school/academy's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs. Where appropriate a risk assessment will be put in place to support the staff and pupils in managing potential situations where foreseeable. When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

7. Safeguarding

- 7.1. The Trust recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, schools/academies will follow their Safeguarding and Child Protection policies and procedures.

8. Social, Emotional and Mental Health (SEMH) Needs

- 8.1. To help reduce the likelihood of behavioural issues related to SEMH needs, the school/academy will create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient.
- 8.2. The school/academy will promote resilience as part of a whole-school approach using the following methods:
 - Culture, ethos and environment – the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
 - Teaching – the curriculum is used to develop pupils' knowledge about health and wellbeing
 - Community engagement – the school/academy proactively engages with parents/carers, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing
- 8.3. All staff will be made aware of how potentially traumatic adverse childhood experiences, including abuse and neglect, can impact on a pupil's mental health, behaviour, and education. Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The Trust's Social, Emotional and Mental Health (SEMH) Policy outlines the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

9. Sexual Abuse, Harassment and Discrimination

- 9.1. The Trust does not accept any form of sexual abuse, harassment and discrimination, including sexual harassment, gender-based bullying and sexual violence. The Trust's procedures for handling

child-on-child sexual abuse, harassment and discrimination are detailed in the Trust's Child-on-Child Abuse Policy.

- 9.2. The Trust will work with all schools/academies to ensure that all incidents of sexual harassment and/or violence is met with a suitable response, and never ignored. Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.
- 9.3. The school/academy will respond appropriately to any sexual harassment complaints inline with the Trust's Safeguarding and Child Protection Policy. Disciplinary sanctions for incidents of sexual harassment will be determined based on the nature of the case, the ages of those involved and any previous related incidents.
- 9.4. Where the school/academy is responding to a report of sexual violence, the school/academy will take immediate steps to ensure the victim and other pupils are protected. The DSL will work closely with the Police, and any other partner agencies as required, to ensure that any action the school/academy takes, e.g. disciplinary sanctions, will not jeopardise any ongoing Police investigation.
- 9.5. The response to any incidents of sexual abuse and/or discrimination will be:
 - Prompt
 - Proportionate
 - Considered
 - Supportive
- 9.6. The schools/academies within the Trust have procedures in place to respond to any concerns regarding children's safety or wellbeing. These include clear processes for:
 - Responding to a report
 - Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the Police

10. Smoking and Controlled Substances, including Vaping

- 10.1. In accordance with part 1 of the Health Act 2006, all schools/academies in the Trust are smoke-free and vape free environments. Parents/carers, visitors, staff and pupils are instructed not to smoke or vape on school/academy grounds. Pupils are not permitted to bring smoking materials, vaping materials, or nicotine products into the school/academy.
- 10.2. The Trust will not accept illegal drugs, legal highs and other controlled substances on any of its sites. Where incidents with pupils related to controlled substances occur, the school/academy will follow the procedures outlined in the Trust's Behaviour Policy and Safeguarding and Child Protection Policy.

11. Mobile Phones

- 11.1. The schools/academies within the Trust recognise that mobile phones, including smart phones, are an important part of everyday life for our pupils, parents/carers and staff, as well as our wider community. Whilst we are able to see the benefits provided by mobile phones, as a trust we are concerned by potential:
- Risks to child protection
 - Impact on mental health
 - Over reliance on mobile technology
 - Impact on learning in the classroom
 - Reduced physical socialisation
 - Risk of theft, loss, or damage
- 11.2. Consequently, the Trust will not accept the sight or use of mobile phones on its school/academy sites. The appearance or use of mobile phones on the school/academy site will be sanctioned in line with the school/academy's behaviour procedures. *Please refer to Appendix A for further information.*

12. Prohibited Items, Searching Pupils and Confiscation

- 12.1. **Safeguarding Comes First:** While school's have the power to carry out forcible searches, the school will always put safeguarding first, taking on board the lessons learned from the 'Child Q' review.
- Risk Assessment:** If a student is suspected of having something in their possession that might immediately put others at risk, the school will assess whether a forcible search is a reasonable and proportionate thing to do to safeguard others.
- Calling the Police:** If the school has reason to think a student's carrying a weapon or illegal substances, the police would be involved.
- Parents Informed Every Time:** Whatever the situation, parents will be contacted whenever a student is searched.
- 12.2. Principals and staff authorised by them have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. This must be undertaken by two members of staff and at least one colleague must be of the same gender as the pupil to be searched. Best practice is for both colleagues to be of the same gender as the pupil being searched. The prohibited items* are:
- Knives or weapons.
 - Alcohol.
 - Illegal drugs.
 - Stolen items.
 - Tobacco and cigarette papers and vaping equipment
 - Fireworks.
 - Pornographic images.
 - Any article that the member of staff reasonably suspects has been, or is likely to be, used:
 - To commit an offence; or
 - To cause personal injury to any person, including the pupil themselves; or

- To damage the property of any person, including the pupil themselves.

***The model list above was created using the DfE's 'Searching, screening and confiscation' guidance. To search for any items not listed here, staff will require the consent of the pupil being searched.**

- 12.3. Pupils may refuse to participate due to some of the following reasons
 - They are in possession of a prohibited item;
 - They do not understand the instruction;
 - They are unaware of what a search may involve; or
 - They have had a previous distressing experience of being searched.
- 12.4. Schools/academies must keep records of the search, including the reason for the search, who conducted the search and the outcome.
- 12.5. Schools/academies should reinforce the whole-school approach by building and maintaining positive relationships with parents/carers. Parents/carers should always be informed of any search for a prohibited item and the outcome of the search as soon as is practicable. A member of staff should inform the parents/carers of what, if anything, has been confiscated and the resulting action the school/academy has taken, including any sanctions applied.
- 12.6. Schools/academies must analyse the data generated by this record keeping and identify if "searching is falling disproportionately on any group or groups [and] should consider whether any actions should be taken to prevent this".
- 12.7. ***Searches that fall outside of the normal remit of the school/academy must be approved by the Trust Safeguarding Lead before any commencement begins.***

13. Behaviour Off School Site

- 13.1. Sanctions may be applied where a pupil has misbehaved off-site when representing the school/academy*. This means misbehaviour when the pupil is:
 - Taking part in any school-organised or school-related activity (e.g. school trips)
 - Travelling to or from the school/academy
 - Wearing school/academy uniform
 - In any other way identifiable as a pupil of our school/academy
 - Sanctions may also be applied where a pupil has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:
 - Could have repercussions for the orderly running of the school/academy
 - Poses a threat to another pupil or member of the public
 - Could adversely affect the reputation of the school/academy

**Please refer to Appendix A for further information.*

- 13.2. Incidents that occur outside of school premises which are reportable to the Police (a potential crime is suspected to have been committed), generally fall under the jurisdiction of law enforcement. Our

school's behaviour policy is designed to manage student conduct, between students who are enrolled at the school, within the school environment and during school-related activities.

- 13.3. If we understand that a potential crime has been committed involving 'current' students, outside of school, the school and the Trust will strongly encourage parents and carers to report such external incidents to the Police and the school will also consider reporting it to the Police themselves if it is deemed appropriate to do so. We will work with the Police and also ensure a safety plan for students whilst the Police progress their investigation and make their determination.

14. Power to Use Reasonable Force

- 14.1. Members of staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others, or damaging property, and to maintain good order and discipline in the classroom.
- 14.2. Principals and **authorised school/academy** staff may also use such force as is reasonable given the circumstances when conducting a search without consent for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm.

15. Malicious Allegations

- 15.1. Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school/academy will discipline the pupil in accordance with this policy.
- 15.2. Where a pupil makes an allegation against another pupil and that allegation is shown to have been deliberately invented or malicious, the school/academy will discipline the pupil in accordance with this policy.
- 15.3. In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school/academy (in collaboration with the Local Authority Designated Officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.
- 15.4. The school/academy will also consider the pastoral needs of staff and pupils accused of misconduct. Please refer to our Safeguarding and Child Protection Policy, the Child-on-Child Abuse Policy and the Managing Allegations Against Staff Policy or more information on responding to allegations of abuse against staff or other pupils.

16. Monitoring and Review

- 16.1. This policy is reviewed annually by the Distinctiveness and Personal Development Committee.
- 16.2. Any changes made to this policy by the Trust will be communicated to all members of staff. All members of staff are required to familiarise themselves with all processes and procedures outlined in this policy and the local procedures.
- 16.3. The next scheduled review date for this policy is listed on the cover page of the policy.
